

Christ's Pieces Residents' Association

invites you to hear

Dr Anthony Martinelli

Respiratory Medicine, Addenbrookes Hospital and
Cambridge Institute for Therapeutic Immunology & Infectious Disease

on

Air Pollution – the New Tobacco?

on Tuesday 26th November at 7.30 p.m.

in the Unitarian Church on Emmanuel Road.

There will be refreshments afterwards for which a
£2 contribution is suggested to defray expenses.

Your committee is grateful to the City Council's
West/Central area committee for funding in support of this talk.
